

# Liberty Financing Solutions

At Stryker we believe in constantly moving with our customers towards a common goal: improving care system-wide. It's no small task; the rewards, however, are great. Our role in this joint effort is to provide the equipment and support that enables caregivers to continually raise the standard of care at every point from Pre-hospital, Emergency to Labour and Delivery.

Your patient population and facility objectives require that your equipment is updated with the latest technology. Stryker's Liberty Financing Solutions program allows you to obtain the equipment you need so you can focus on **better patient outcomes, healthier nurses, and a stronger bottom line.**

Stryker offers the ability to customize your hospital beds and stretchers to meet your specific pre-hospital, patient handling and patient care needs. Now, with Stryker Liberty Financing Solutions, **you have the freedom and flexibility to customize how you pay for it.**

The Liberty Financing Solutions program is a financing solution designed to provide you with flexible payments and ownership options for your capital pre-hospital, patient handling and patient care equipment.

## **Liberty Financing Solutions help you:**

- Equip your hospital with the industry leading solutions immediately
- Spend operational vs. capital budget
- Share cost & risk involved in equipment ownership
- Ensure equipment is always working
